Re: *Textron Innovations Inc. v. The Toro Company*
Civil Action No. 05-486

Dear Judge Sleet:

In anticipation of the discovery teleconference scheduled for Thursday, November 9, 2006, at 9:15 a.m., in the above-captioned matter, the parties jointly submit the following items to be presented to the Court:

Plaintiff's Issues:

- Defendant's redaction of responsive documents, including documents relating to engineering, marketing, and financial issues.

Defendant's Issues:

- Plaintiff's failure to search related corporate entities for documents responsive to Toro's discovery requests, including requests for prior art.
- Plaintiff's failure to produce documents, including documents concerning products alleged to be covered by the patents-in-suit and prior art products manufactured by corporate entities related to plaintiff.
